Sydenham Arts.

Welcome to our Artists Trail 2023!

On our 15th anniversary, it promises to be another bumper year with over 100 artists exhibiting. From sculpture to ceramics, oil to acrylics, glassmaking to jewellery, acrobatics and drumming, Sydenham will be full of art and creativity during both weekends.

There are 34 venues to visit, including artists' homes, studios, sculpture gardens, our popular group venues at Forest Hill School and the Sydenham Centre and some new venues across Sydenham and Bell Green. We're also joined by artists in Forest Hill, Penge and Nunhead, so don't be afraid to explore further afield!

This fold out brochure will be your trail companion, with all artists, venues, map, workshops and events you can dive right into across the two weeks. It's also available on our website.

This year's trail takes place on 9-10 & 16-17 September from 11am-5pm each day.

Previous punters will be pleased to know we're once again kicking off the trail with two popular events. Newcomers, these are a great way to get inspired for two art-filled weekends!

The Anna Lovely Gallery Summer Exhibition hosts its hugely popular private view and garden party on Thurs 7 Sept. The following evening (Fri 8 Sept) we'll be at Leo Café for our Meet The Artists event, the perfect sneak peek with mini exhibition and speed intros from artists showing in the trail.

There'll also be preview exhibitions at The Dolphin Pub, showcasing art by artists curated to the theme 'The Natural World', and at Gurkhas' Restaurant.

A special mention to this year's chosen cover artist Tessa Holmes, whose striking screenprint 'Curve' has been selected to represent the trail this year. You can see Tessa's work throughout the trail at Etch Studio 23, Havelock Walk (Venue 24).

Thanks as always to our sponsors Property World, whose continued support makes the trail possible. We also want to thank all our local givers for supporting Sydenham Arts to bring events like this to our local community. You'll see donation points and info to sign up as a regular monthly donor at our bigger venues across the trail- please sign up if you're able to support us!

We will endeavour to ensure the trail is a safe place to visit. Please take care to protect yourself and others and respect artist's homes as you would your own.

All that remains is to say we hope you enjoy the trail,
