# Sydenham Arts.

## Welcome to the Artists Trail 2024.

This year's trail takes place during two weekends - 14th & 15th and 21st & 22nd September, from 11am to 5pm each day.

This will be the 16th year of the Artists Trail and it promises to be packed with art with more than 100 artists and makers exhibiting their work. From sculpture to ceramics, oil to watercolour painting, glassmaking, jewellery, textile art and millinery, collage, wood ornaments, robotics and visual presentation. The local area will be full of art, crafts and creativity during both weekends.

There are 30 venues on the trail, most within easy walking distance from each other. We are joined by artists in Forest Hill, Bell Green and towards Penge for those of you wanting to venture further afield.

This fold out brochure will be your guide and trail companion with all artists, venues and a map and events. Workshops and artists pages will be available on our website in August.

Once again this year we will curate an exhibition at The Dolphin Pub starting in late August, a taster of what's to come during the trail. This year's theme will be "Autumn".

The trail will kick off with our "Meet The Artists" event at Leo Cafe at 7:30 on Thursday 12th September with a speedy introduction by many artists - an opportunity for them to meet each other and talk to visitors.

The Anna Lovely Gallery will host their hugely popular Open Exhibition Private View and Garden Party from 6-8pm on Friday 13th September.

A special mention to this year's brochure cover artist, Clara Perez, whose colourful still life has been chosen to represent the trail this year. Look out for postcard flyers with other art forms on show - photography, textiles, ceramics and jewellery.

Thanks as always to our sponsors at Property World whose continued financial support makes the trail possible. We also thank artists and hosts who so generously open their homes, studios and gardens and to Forest Hill School and their staff for letting us use their light and airy atrium once again.

We will endeavour to ensure the trail is a safe place to visit. Please take care to protect yourself and others and respect artists' homes as you would your own.

We hope you enjoy the trail as much as we enjoy bringing it to you.
