Sydenham Arts.

Welcome to the Sydenham Arts Artists Trail 2021!

It's here - our first living, walking, talking Artists Trail in over 2 years!

During the last year artists all around you have been busy creating. This September, more than 100 artists at 24 locations in Sydenham and Forest Hill will open their doors to welcome you back.

The last 18 months hit us all hard, so our artists can't wait to share their art with you. Some artists will take part virtually on our new website, check it out and get the latest on workshops and demonstrations happening throughout the trail.

This year's trail is open on 11th, 12th, 18th and 19th September, 11am-5pm each day!

The trail kicks off with a private view of the Anna Lovely Gallery Open Exhibition, 10 Sep, 6-9pm and will finish with a grand finale music and art extravaganza featuring enSEmble26.

Once again we will be highlighting the work of talented young artists at Forest Hill and Sydenham High schools, including Sahid Kamala whose image features on our cover this year.

This year, we've reverted to this fold-out brochure format used in the first Artists Trails 13 years ago, a much more eco-friendly format all round. You'll find special events featured on the next page and on our website.

On a final cautionary note, we will be taking measures to keep you safe from Covid-19. Please observe the guidance and rules at each open venue.

Enjoy the Trail!
